THE HIGH SCHOOL CLOSED WITH A GOOD PROGROM

The twenty-second annual commencement of Sequoia Union High School took place last evening in the Alhambra before a large attendance. The hall was decorated with flags and the school colors. Mr. S. P. McCrea delivered a splendid address, telling of the good work performed by the school during the year.

The following excellent program was carried out to the letters by the pupils:

Twenty Minutes of Music

The Freshman Class Presents Just a Little Foolishness, entitled The Bandits (Carrington.)

Salutatory ..... Clyde Higgins

Oration—The Races in America ..... Robert Murray

Valedictory ..... Dorothy Bresse

Double Quartet—A. Night
—B. 'Twas a Trumpet's Pealing Sound—de Pearsall
Lamb, Duggan, Gunther and Breesse
Murray, Carrington, De Groot and Myers

Commencement Address ..... Prof. A. B. Anderson

Remarks by Principal ..... Mr. S. P. McCrea

Presentation of Diplomas ..... Mr. L. P. Behrens

Presentation of Gift to School by the Class of 1919 ..... Marie Gunther, Class President

Robert Murray, the class orator, delivered the following oration displaying fine ability as an orator:

THE RACE PROBLEM

The purpose of the "oration" is not to take any broad subject and pick it to pieces, showing its contents when turned inside out. In the brief ten minutes which have been allotted me to speek I could not have time, but rather it is my purpose to bring before your eyes a subject which you are all more or less familiar with and just to tell you what it is, not to offer any solution for the many knotty phases presented in it, but of I have said anything which might cause you to think about the greatest problem of all, I will have served my desire.

After all political, social and economic questions will have been settled, there yet remains one more and that is, very broadly stated Race Problem surely it is partly composed of the other three, but nevertheless it will be greater than them all.

We might divide the races into four broad divisions. First, the white, or the American race, which we wish to be perpetuated for all time. Second, those classes of foreign immigrants (chiefly European) who come to this land and keep their customs in defiance to our standards. Third, Negroes, who are already here and Fourth, the Orientals.

We must first grant that the Americans are, or we might say the English-speaking white people, is the greatest race and the one to be preserved. The question to be propounded is, "How doth other races interfere?" Let us take up the first one I mentioned, the European immigrants.

For the past thirty years a class of immigrants has been arriving in this country, that refuses to adopt our ideals and standards, chiefly from Southern Europe, including, Italians, Russians, Greeks, Hebrewes, Syrians, Silicians and nearly all of the the Slavs. The classes are highly illiterate, averaging in some cases, more than fifty per cent, but in general we might put the average at 35 per cent. The death rate is high, pauperism all too common, and the worst trouble of all is that these classes stay by themselves. There are little Italy, Syriees and Russians everywhere. There is one Ghettel (a Hebrew colony) in New York City, having a community government of its own, exclusive of the city government. There are thousands ,many thousands of inhabitants living there, yet they are so far apart from America that I have my doubts if some of them know whether they are in Russia, Armenia or Jerusalem. In Chicago we have the largest Slavic colony in the world. There are thousands of them bunched up in a few square miles, they are not conscious of the workings of the outer world, they are enclosed by a shell. There are many other examples of conditions existing just like this, which time does not permit me to discuss.

L. P. Behrens, president of the board of trustees, in a neat address in which he gave the graduates some wholesome advice, delivered diplomas to the following graduates:

You have been attending high school at a time when the greatest problems in the history of the world confronted us. Nearly all the nations of the world were at war, which culminated in the most terrible conflict that has ever been recorded in history, and God forbid that anything like it should ever occur again.

While your elders were in a mighty death struggle in defense of liberty that justics might prevail among nations and the world made a safe abiding place for you and those who are to come after you to live in, you have been comfortably housed and little disturbed through it all. However, your young minds have grasped the meaning of much that has happened and no doubt you have been fitting yourselves to better cope with the great problems of the reconstruction period which now is upon us. If thit is not your aim, your single thought, then you have lost out, or missed the opportunity this school has afforded you, and which was made possible by the watchful care and guidance of your faithful teachers, and an ample supply of money furnished by the tax payers with which to defray the expense of your high school education.

The Lord has endowed you with a sound body and good set of brains. An ox, however, has both but of course of a different quality; but if you do not properly use the body and brain you possess, then you are of little more value or service than the ox. While this comparison may not sound altogether comely and may even seem a little crude to some, still it seems best fitted to convey my thoughts.

We are passing through a period of the world's re-making that will give all boys and girls, who are alert to the wonderful opportunities, a chance to make good and show by their deeds that the investment made in their schooling was not in vain.

You are now entering your very best years of usefulness and at a time—as I have said before—when brains are at a premium; not simply brains but the use to which they are applied and which will produce the efficiency so much sought after. To do your part in this great work, you must be alert and wilbing, and by reason of the four years spent in this high school, you should be fairly well equipped fo rthe task.

You should build for the future, keeping in mind always that a Supreme Being will in the end judge all your acts. Your reputation can be ruined by one false step; character is built only by resisting temptation, so be constantly on your guard. Avoid all evil; live clean lives and be loyal to your friends and considerate of all, and I feel sure the world will be made just a little better for your having lived in it.

You are a splendid class and I feel you will do as members of other classes have done. That is go out into the world and prove yourselves a credit to Sequoia Union High School, and to the community in which you have been reared; and now by the authority vested in me as chairman of the Board of Trustees, and in their behalf, I am pleased to present you with these diplomas as evidence that you have successfully completed the courses as laid down by the Board of Education

HELLO GIRLS ARE REMAINING FIRM

There is no change in the local telephone strike situation, the girls are still picketing and are certain of success. On Wednesday the telephone company made an attempt to open the office but failed. One of the superintendents came down from the city and endeavored to muster one of the collectors to manage the switch board but he promptly refused.

The young women operators told the superintendent to leave and he did. He tried to answer some emergency calls, but the professional men, when they learned the situation refused to answer the telephone. The superintendent left in the afternoon in deep disgust. The operators are confident they will win the strike. They have the people behind them in their demands.

ADDITIONAL LOCALS

Miss Florence Holbrook of Fresno is here on a visit with friends. The young lady formerly resided in Redwood City and a prevailing rumor has it that she will soon return here to permanently reside.

Doctor McDonald and wife were here on Thursday from Camp Kearney on a visit to Dr. Dykes. They were neighbors in Kansas some years ago. Dr. McDonald is connected with the medical corps of the army with the rank of first lieutenant. He and his wife were delighted with Redwood City and invironments.

The new seats ordered by the supervisors to be placed in the corridor of the court house are filling a long felt want. They were much needed and will be enjoyed by all visitors to the court house.

San Carlos will celebrate the Fourth of July by giving a mask ball in the Ohio building on the evening of the Fourth. The dancers will be on the floor at 8 o'clock to trip the light fantastic to the sweet strains of an orchestra. The affair is given under the auspices of Mr. and Mrs. D. Stewart.

Edward B. de Groot has resigned his position as director of the department of physical education of San Francisco schools and playgrounds. He was brought to San Francisco from Chicago five years ago, when the position of director of physical education and playgrounds was created. He was paid $4000 a year, but the salary offered him in the south is much larger. Mr. de Groot has a nice home in Redwood Highlands. His son, Dudley, graduated form the local high school last evening.

TEACHERS OF THE COUNTY SHOULD BE BETTER PAID

That the teachers of the county should be better paid is the consensus of opinion of the people of the county. A deleation of the teachers will appear before the board of supervisors shortly to ask that the next tax levy be increased so that the trustees may raise the salary of every teacher in the county. The following are a few expressions on the subject by the following citizens of the county:

The teachers, who are the most important factor in the educating of the coming American citizens, should certainly receive a salary in proportion to the work which they are doing.

I am heartily in favor of granting an increase of $20 a month to each teacher.

KENNETH S. MURRAY,
Florist, Redwood

In consideration of the high cost of living and their responsible duties, the teachers of San Mateo county are undoubtedly underpaid, and their request for increased remuneration should be given prompt attention.

ALEX WILSON.

The present salaries of the teachers are inadequate. I strongly favor a flat raise of $20.

J. F. JOHNSTON.

I heartily endorse the plan of increasing the salaries of the teachers of San Mateo county.
June 21, 1919. P. H. McEVOY.

Am I in favor of raising the salaries of the teachers of San Mateo county $20 a month? I most certainly am. It is only simple justice and should have been done before.

REDWOD CIT YGARAGE
Miller Paulsen

Knowing that teachers receive inadequate compensation for their labor, I heartily endorse the increase of salary movement.

JENNIE E. HARTLEY.

THE WEEK'S EVENTS IN LOCAL CIRCLES

A. W. Laederich of San Jose has been appointed manual training teacher in the grammar school to take the place of Professor John Gill who will teach full time in the high school next semester. Mr. Laederich will be employed in the afternoon here and in the forenoon at Burlingame grammar school.

The grammar school manual training exhibits were viewed by hundreds yesterday and the day before in the grammar school building and all were enthusiastic in the praise of the work of the young mechanics. Many of the exhibits showed mechanical skill, industry and ability. All the exhibits collectively would make a good-sized furniture store and would bring many hundred dollars if offered for sale. A number of tables and chests made by the goys would do credit to full-fledged mechanics. The exhibit was one that the school may justly feel proud of and one which reflects credit on the teacher and the school. Such an exhibit is rarely seen anywhere.

Mrs. Mary Huling has gone to the springs for a month's vacation. She has closed her sanitarium for that length of time.

The grammar school closed for the summer vacation yesterday with appropriate exercises. Many of the parents were present to enjoy the splendid program arranged by the faculty. The principal, Professor Montieth, is to be congratulated for the good work done by the school during the past year.

Miss Catherine Burke, the popular and accommodating deputy in the county clerk's office, will take her annual vacation next week. She contemplates a trip to Canada where she will visit relatives for two weeks. Miss Burke may visit Alaska before returning.

Donald W. Williams is about to erect a five thousand dollar dwelling on property recently purchased near the George A. Merrill residence in Wellesley Park. The house will be for rent.

Mrs. John Dielmann and her niece Louetta Millard, leave tomorrow for Fresno, where they will be met by J. H. Dielmann and family of Los Angeles and motor to Yosemite.

Eugene Sampson resumed his duties in the Bank of Italy Wednesday after an absence of two years in the U. S. navy. During the war he served on a submarine chaser on the Atlantic.

THE FIRST NATIONAL BUYS CITY BONDS

At a special meeting of the Board of Town Trustees held Thurday evening the bonds voted for by the people of Redwood City for municipal improvements amounting to $120,000 were sold to the First National Bank of this city at a premium of $7500. The only other bidder for the bonds was the Bank of Italy which offered a premium of $5000.

The usual resolution of sale used in such cases was adopted by the Board.

The Trustees and the people are to be congratulated on the splendid premium received for the bonds. It is unusually large. It is also a matter of pride that the bonds were purchased by a local institution. The money will be available in a very short time so that the Trustees may go on with the contemplated improvements.

It is possible that the $25,000 fire house will be erected in a short time. Street work will also be pushed by the Trustees.

Meeting Last Monday Night.

Monday evening the City Board of Trustees met in adjourned session, due to the rush of business in connection with the proposed street and sewer improvements, also the new fire house. The new fire house will not only add beauty to the city but is a necessity. Being centrally located, on Webster street, opposite the city hall, it will be easy to reach all sections of the city.

The matter of opening bids for the Laurel street sewer was in order. Two bids were received, one from Dryfus Brothers of San Mateo, and the other from J. H. Casley, San Jose. The bid of J. H. Casley being the lower Trustee J. C. Jones offered a resolution accepting his bid.

LAST WET DANCE OF THE SEASON AT WOODRUFF INN

The dance at the Woodruff Inn this evening will be a big affair as it is practically the last wet dance to take place at La Honda. On July first the country will go dry. Many will take advantage of this and partake of the wine supper to be given by Henri Devere, the popular proprietor who is noted for the dinners he prepares. The ball is to be given nuder the auspices of the returning soldiers who are giving the ball to those who took part in the recent reception tendered them by the people of La Honda in appreciation for their display of good will. Dancers from all parts of the county will be present Many guests from the city and other places are now at the Inn.

ATTORNEY SHINE NEW INHERITANCE TAX APPRAISER

Attorney A. T. Shine has been appointed by State Controller John S. Chambers, inheritance tax appraiser of Alameda county to take the place of Attorney Lucas who resigned to become the attorney for the controller at San Francisco. He takes the place of W. A. Sullivan who passed away recently. There are only two tax appraisers in Alameda county and it may be readily seen what a nice plum has fallen to Mr. Shine. He comes from the well-known Shine family, pioneers of Woodside. Mr. Shine after graduating from the local high school went to St. Mary's college in Oakland where he graduated afterwards becoming a professor at the institution. During his teaching he studied law and was admitted to the bar some years ago at once apening an office in Oakland.

Mrs. Jennie B. Doxsee and her daughter, Miss Beatrice, of Glendale are visiting at the home of Mr. and Mrs. C. M. Doxsee in Wellesley Park.

DR. NORTHCOTT CONVICTED BY JURY THURSDAY

Never perhaps in the history of the superior court of San Mateo county was there such interest manifested in a criminal case as was centered in the trial of Dr. E. Northcott, accused of murdering Inez E. Reed by an illegal operation last March at 615 Highland avenue, San Mateo. The body of the girl, who was an army nurse, was found two days afterwards in a lonely canyon near the Crystal Springs Lake.

From Monday morning until the verdict of "guilty" was rendered at 3:30 o'clock Thursday afternoon the court room was crowded with people anxious to hear the testimony.

The prosecution examined about 20 witnesses and closed its case on Wednesday afternoon. District Attorney F. Swart was ably seconded in his efforts by the detective department of San Francisco. The case against the doctor was purely circumstantial and those who head the press reports of the case were disappointed in the verdict as they expected an acquittal while those who heard all the testimony held a contrary opinion.

The jury was out two and a half hours, taking seven ballots in that time all of which were ten for conviction and two acquittal. Finally a verdict was reached. The seven women on the jury voted solid for conviction while two of the men voted for an acquittal.

Dr. Northcott was unmoved by the verdict. He refused to take advantage of the bail he had up preferring to go to jail.

Judge Buck will pass sentence on the doctor on next Thursday at which time his counsel will ask for a new trial. Should the request be denied an appeal will be taken to the supreme court. Should that tribunal refuse to grant a new trial a long term in state's prison faces the doctor.

Peter S. Sorg has also brought an action for divorce in the superior court. He brings it against his wife, Mary Sorg, who deserted hi mon March 11, 1916. The Sorgs were married in San Francisco on September 14, 1912. They have no community property but have two minor children. Plaintiff asks for the cusstoday of the minors.

The annual sale of delinquent property sold to the state five years ago took place yesterday at the tax collector's office. It was the largest and most successful sale that has ever taken place in the county. There were 200 persons present and over $1500 was realized.

The forming of a Johnson for President Club is being seriously considered by a number of leading Republicans of the county.

ANDREW NEUMAN WOODSIDE PIONEER DIED THURSDAY

Following a long illness Andrew Neuman, the well-known pioneer of Woodside, passed away at the Red Cross hospital in San Mateo early Thursday morning. The body was brought to the James Crowe Undertaking Parlors that afternoon. The funeral will take place from there this morning at 10 o'clock. Interment will be in Holy Cross cemetery, Menlo Park.

Mr. Neuman was born in the northern part of Finland, March 14, 1838 but as a young man came to this country. He was highly respected by all and the news of his death is a severe shock to his many friends throughout the county.

He is survived by the following children:

A. A. Neuman, A. E. Neuman, J. V. Neuman, Grover Neuman, Mrs. W. W. Sanderson and Mrs. C. H. Dobbel.

Andrew Neuman spent the first sixteen years of his life under the parential roof and then spent four years in a shipyard in which he learned the trade of ship carpentering, at the expiration of that period going to sea, following "a life on the ocean wafe" for eleven years. In 1862, however, he determined to come to the new world and left Liverpool for Vancouver. From that port he sailed a vessel for seven years. In 1867 he made a trip to his old home, but in six months returned to Stockton, California, where he engaged in shipbuilding, remaining at that place, however, for only a short period. On the expiration of that time he made his way to Portland, Oregon, where he built a ferry. Later he located in San Francisco, and in partnership with Charles White, engaged in shipbuilding, doing a good business. He was also interested in different ship companies of San Francisco. In 1879 he came to Woodside ,where he has since resided, and here he has devoted his energies to farming, to the nursery business and to the conduct of a hotel and store. In controlling his various interests he has manifested excellent business ability and keen discrimination.

GOOD ROADS A BOON TO THE STATE IN GENERAL

In connection with the $40,000,000 Good Roads Bond issue to be voted pion at a special State-Wide election July 1st, the following is quoted from an issue of "Municipal Engineereing" which undertook a survey of the relation of good roads to living costs.

California has proved the truth already of the observations set forth The "Municipal Engineering" says:

"The building of good roads is the most important factor which this country must consider in the next few years. The improved highway is the one means of salvation for the poor man, for in these days of high cost of living, we must look to the cheaper transportation of food stuffs as our way out. We can no longer expect to better our condition through a greater supply of necessities, for every effort we have made toward lowering the cost of food stuffs heretofore has been met with the response that the United States is now about as intensively cultivated as it can be under present conditions.

In other words, our people are no longer turning to the country in an effort to produce a larger amount of food. Therefore, we must face the problem of getting along with the same amount that is now produced.

The only solution left for us is to cut out cost of production and delivery. The best way to accomplish this is to provide good roads, for we have already had many demonstrations of how good roads will work to our advantage.

The improvement of highways in many parts of our country in the last few years has been invariably followed by better living conditions. Where the roads leading into a large city have been improved we have seen an increased supply of food stuffs on the local markets and a larger number of farmers bringing their products into the city. This, of necessity, results in lower prices for the products and a long step toward living conditions.

On the other hand, the improvement of roads throughout the country is invariably followed by an improvement in farming methods. The agriculturist who heretofore devoted his energies to grazing and the production of rough food stuffs, such as corn, is now turning to what is known as market gardening. He is raising potatoes, beans, peas and other commodities that are in every day demand, simply because he can get them to market where heretofore markets were denied him. It is no uncommon sight now to see farmers driving eighteen or twenty miles to market with loads of produce which before the highways were improved were denied the consumer. The automobile, it is true, has had a great deal to do with increasing this supply, but even this vehicle would be helpless without highways on which to run.

Good roads are an undisguised blessing, and this, every one who has given the matter any thought will admit. They not only promote increased industrial activity, and therefore better the living conditions of thousands of our city dwellers, but they provide an improved social life for people who live in the country. The family which has access to a good road, and therefore quicker and more pleasant trips, goes oftener to church, visits the neighbors oftener and attends farmer club meetings frequently. No one can deny that all of these are important factors in the farmer's life."

DR. LUCAS TO MAKE SURVEY OF SAN MATEO COUNTY

(This article is contributed to the San Mateo County Conference of Social Agencies by the Social Service Commission.)

Before drawing plans for the new County Hospital it was determined to follow the advice of Dr. Ray L. Wilbur and to have a survey made of health conditions, in order that the hospital be built to the best advantage.

The county has now a just right o be proud of having Dr. William Palmer Lucas consent to undertake this work.

Dr. Lucas is well known for his work in connection with the Medical School of the University of California and has recently returned from Europe, where he was decorated by the King of Belgium in recognition of the splendid work done by him in organizing the work for the care of the French and Belgium children.

Those who have been interested in the health problems of San Mateo county may have felt impatience at the seeming delay in starting the new hospital, but no one can now justly feel that the time has been lost when so constructive program is the outcome.

Dr. Lucas in summin up what the work should be, stated that before any plan for a health program could be submitted a careful survey must be made. This to be,

First—the needs of San Mateo county from a health standpoint This would include a careful examination of health and sanitary conditions now existing; how adequate these are and what is being done to improve them. The general health of the county at present would have to be carefully considered, also what facilities are now available for meeting these conditions, such as existing hospitals, clinics, welfare associations, etc.

Second—A careful examination of the county's method or methods of handling sanitation, housing and other health questions. This would include a study of reports on these various points and an examination of the conditions throughout the county.

Third—Meetings with the county sanitary inspectors, county physician an dother county employes who are connected with these problems, as well as meetings with the Board of Supervisors, Social Service Commission and Welfare and Public Health Associations from time to time to discuss different points for consideration.

The purpose of all this study, examination and discussion would be to project a plan that would not only suggest an immediate way of meeting the health problems of San Mateo county, but would also develop a line along which future growth should proceed, this would be with a view toward having the most healthful conditions exist in the county for not only the present permanent residents, but to have such health, sanitary and housing conditions as would attract new residents.

There is nothing that favors permanency or residence so much today as scientific care of health from a community standpoint, nor any one factor that has more power of attracting desirable residents. The purpose of such a study would be to propose a health program for San Mateo county which, with the least expenditure of money ,would insure the best health conditions not only for the present but for the future.

To have such a plan succeed it must meet with the hearty co-operation and whole-hearted consent of the physicians of the county. Upon this group more than upon any other rests the success of the plan. If the officials, physicians and interested individuals will unite their efforts, plans will soon be under way which will tend to make San Mateo's institutions comparable with its climate.

PEPTONA

WILL HELP YOU

Often times persons who are recovering from sickness have difficulty in recovering their strength.

PEPTONA, our best tonic, will be found very helpful. It contains tonic and strength building principles to aid in enriching the blood, in assimilation of food and building general strength.

It is pleasant to take, and the ingredients are so combined that they are easily assimilated even by very weak stomachs.

Bitter or Better Baking

A letter makes a great difference in a word. A word makes a great difference in baking powders.

If the little word "alum" appears on the label it may mean *bitter* baking.

If the word ROYAL stands out bold and strong, it surely means BETTER baking.

This is only one reason why it pays to use

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

The engagement of the marriage of Joseph Nash, the well-known Ravenswood farmer and contractor, and Miss Gertrude Gilcrest, the pretty daughter of Charles Gilcrest, was announced during the week. The popular young couple will be married on July 5, and after a brief honeymoon will take up their residence at Palo Alto where Mr. Nash has established a cosy home for his bride to be.

J. Brown, one of the Dolan Wrecking Company's teamsters who was injured in a run away last week, pasesd away on Tuesday.

W. L. Growell, wife and Motel Montgomery, left yesterday for Lake Tahoe to spend a vacation of two weeks. They motored to the well-known summer resort.

Vincent Dantoni arrived home from overseas after spending 20 months at the front. He went to France early in the war and fought at the front alongside of William Feeley. The latter was to have left for home last week but when he was about to take his departure he was ordered into Germany with a division to invade Germany in case the treaty was not signed. Both young men saw longer service overseas than any of the other Menlo men.

The Dr. Wilson place at Linda Vinsta was sold this week to a wealthy easterner who is to improve the property.

The grammar school closed yesterday for the summer vacation with appropriate exercises. Many of the eighth grade pupils will attend the high school at Redwood City next semester.

Fred Tera, formerly of this place but for several years a barber at Palo Alto, has opened the Maloney tonsoral parlors. Fred is an artist in his line.

Clara V. Raesfeld of San Jose will succeed Miss Gilcrest as clerk in the local postoffice on July first. The young lady is a competent accountant and stenographer and will hold the position temporarily and pending the taking of the civil service examination. The local office is civil service and all clerks must take the examination.

Lieutenant James Leo Duff returned from overseas last Saturday and expects to be discharged from the army in a few days. He spent nearly a year at the front going to France from the camp at Deming, New Mexico. The lieutenant saw active service at the front and during the last days of the war was 17 days in one engagement. Mr. Duff was appointed a second lieutenant after spending three months at the officers' training camp at the Presidio. Some time ago he was promoted to a first lieutenancy and will be mustered out of the service with that rank. Mr. Duff will take a long rest before engaging in any activities.

The Bradys, Ahlerts and the Elmer Carters will leave early next week for Seabright to spend their annual vacations of a month. They have rented cottages there on the seashore.

There is a rumor that the government is about to purchase the site of the base hospital and adjoining property for a permanent institution. This has caused the property owners in that vicinity to protest to the supervisors as hey fear tuberculosis patients will be cared for there.

The beautiful Captain Bolles place on Santa Cruz avenue was purchased during the week by Major General Carroll A. Devol.

Miss Ethel McEvoy accompanied by her friend, Miss Natalie Hanson of Redwood City, will motor to San Diego on Tuesday next for a brief period of their vacation. Both young ladies are teachers in the Redwood City grammar school department.

Walter Gale left during the week for Los Angeles to take a position with the Standard Oil company for which concern his brother, Arthur, has been working for a number of years. Walter was recently discharged from the U. S. Navy having served during the war.

Eight out of the thirteen civilian guards at Camp Fremont were discharged on Wednesday. The government has done this to cut down expenses. This will be a hardship on a number of local men who were thus employed.

MUSICALE

The following musicale numbers amon gothers will be given at the Methodist church Sunday night:

Two solos by Horner Bodley of Palo Alto.

A solo by Mrs. Margaret Stewart, soloist of San Francisco.

Three instrumental solos.

An instrumental duet by the Hall sisters.

A solo by Mrs. B. E. Myers.

Duets by local singers.

Mrs. John Hall will give her reading "The Best Hymn."

FATHER CALLAGHAN CELEBRATED HIS GOLDEN JUBILEE

Last Tuesday Father Callaghan of San Mateo celebrated his Golden Jubilee. Archbishop E. J. Hanna came down fro mthe city on that day to congratulate him.

His parishoners as a token of their esteem on Tuesday presented him with a check amounting to $3800. On his plate as he was about to partake of his morning meal he discovered the check. Father Callaghan is a saintly man of God who is revered and honored by all, catholics and non-catholics alike. He loved by all the good work he has done in the county and for the purity of his long life.

Ordained priest at All Hallows College, Ireland, fifty years ago, on the 24th of June, 1869, Father Callaghan, known and beloved by two generations of this parish and community, came to Salifornia in the autumn of that same year.

The last thirty-four of those years have found Father Callaghan faithfully and ably pursuing his priestly labors in San Mateo. During that period of time, he has endeared himself to his Archbishops, ecclesiastical co-workers, parishioners and in fact, to the whole community.

They had hoped to unite in making his Golden Jubilee a day of great rejoicing and would have liked to give to the occasion a more public character which, indeed, it calls for. Considering, however, the modesty, studious character and self-abnegation of the venerable priest's ways of life, they have realized that it would be better still to bow to Father Callaghan's wishes and allow him to spend the day as he himself would wish, in the great simplicity which has marked his every act during the last fifty years.

His retiring disposition ,however, only brings into greater relief his deep human sympathy with and knowledge of human affairs, for there are few men who through wide and deep rading have kept more abreast of the times and trend of things than he, or who have brought to the just appraisal of modern conditions a more scholarly or a keener insight.

DIVORC EACTIONS COMMENCED

Louisa Daneri has brought divorce proceedings in the superior court against her husband, Antonio Daneri, of Redwood City on the ground of cruelty. The Daneris were married in San Francisco on August 20, 1911. They have no children. The community property consists of a home on Lincoln avenue, Redwood City and cash in the Bank of Italy amounting to $1800. Mrs. Daneri asks for alimony, counsel fees ,costs, half of the community property and permission to resume her maiden name, Louise Solari.

All the herein proposed work and improvements shall be done in pursuance of and in conformity with an act of the Legislature of the State of California, entitled, "Improvement Act of 1911," approved April 7th, 1911, and acts amendatory thereof.

Dated, June 23rd, 1919.

(Seal) W. A. PRICE,
Cleerk of the Board of Trustees of the Town of Redwood City.

RESOLUTION OF INTENTION NO. C-9

RESOLVED, that it is the intention of the Board of Trustees of the Town of Redwood City, County of San Mateo, State of California, to order the following work to be done and improvements to be made in said Town of Redwood City, to-wit:

That a double section corrugated iron arch culvert 4½ inches by 33 inches, on concrete base, be constructed on Phelps street at Cassia street, immediately adjacent to curb line on the southerly side of Phelps street, the northerly section or half of said culvert to be 60 feet long, and commencing at the easterly line of Cassia street and extending across the width of Cassia street, and the southerly section or half of said culvert to be 43½ feet long, with one wye branch 4½ inches by 33 inches extending southerly along the easterly curb of Cassia street for a distance of 9½ feet, and also with one wye branch 4½ inches by 33 inches 8½ feet long extending southerly along westerly curb of Cassia street. The ends of said double section culvert and the ends of said wye branches to have concrete inlets.

That a concrete gutter 5 inches thick and 30 inches wide be constructed on the southerly side of Phelps street from a point 5 feet westerly from the westerly line of Cassia street and extending to the easterly line of Maple street. Said gutter to begin at the southerly curb line of Phelps street and extended said width of 30 inches towards the center of the street.

That a concrete gutter 5 inches thick and 30 inches wide be constructed on the southerly side of Phelps street fro mthe westerly line of Maple street to the easterly curb line of Main street. Said gutter to begin at the southerly curb line of Phelps street and extend said width of 30 inches towards the center o fthe street.

That a concrete gutter 6 inches thick and 5 feet wide be constructed on the southerly side of Phelps street across the intersection of Maple street, said gutter beginning at the easterly line of Maple street and extending across Maple street to the westerly line of Maple street. Said 5-foot gutter to be constructed so that when same strikes the curb on both sides of Maple street it shall taper down to meet the 30 inch gutter to be constructed. Said 5-foot gutter shall begin at a line 30 inches northerly from and parallel to the southerly curb line of Phelps street and extend said width of five feet in a southerly direction.

That an 18-inch corrugated iron culvert storm sewer 46 feet long be constructed across Main stret beginning at the gutter line at the southeast corner of Main street and Phelps street and extending in a straight line across Main street to a point at the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line were extended in a straight line easterly.

That a 24-inch vitrified salt glazed tile pipe storm sewer be constructed on Webster street commencing at a point at the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line were extended in a straight line easterly, and running thence along a line 3 feet northerly from and parallel to the southerly line of Webster street to the easterly abutment of the concrete bridge on Webster street, said 24-inch storm sewer to be 252 feet in length.

That the concrete abutment of the concrete bridge on Webster street where said 24-inch storm sewer strikes same be opened by having cut therein a 24-inch hole to permit said storm sewer to empty into the creek.

That a concrete storm water inlet 24 inches by 24 inches be constructed with iron cover, at the southeast corner of Main street and Phelps street to connect with 18-inch corrugated iron storm sewer to be constructed.

That a concrete storm water inlet 24 inches by 24 inches be constructed with iron cover, at a point on the westerly gutter line of Main street where a line 3 feet northerly from and parallel to the southerly line of Webster street would intersect said westerly gutter line of Main street if said line was extended easterly, to connect with 18-inch corrugated iron storm sewer to be constructed and also to connect with 24-inch vitrified salt glazed tile pipe storm sewer to be constructed. All the hereinbefore and hereinabove mentioned an ddescribed work and improvements shall be done in accordance with the special plans and specifications heretofore adopted for doing said work and making said improvements by the Board of Trustees of the Town of Redwood City on the 16th day of June, 1919, and now on file in the office of the Clerk of said Town of Redwood City, to which plans and specifications reference is hereby made for a further description of said work and improvements and for further particulars and the same made a part hereof.

And said Board of Trustees does hereby determine and declare that said proposed work and improvements, are of more than local and ordinary public benefit, and will effect and benefit the lands and district hereinafter described, which said district is hereby declared to be the district benefitted by said work and improvements, and to have the exterior boundaries hereinafter described as the boundaries thereof; that therefore the entire costs and expenses of said work and improvements shall be and are hereby made chargeable against and shall be assessed upon said lands and district, which district is within the limits of the Town of Redwood City, County of San Mateo, State of California, and the exterior boundaries thereof are particularly described as follows, to-wit:

Beginning at the intersection of the westerly line of Maple street and the northerly line of the right-of-way of the Southern Pacific Railroad Company, thence northerly along the westerly line of Maple street to the common corner of lots 40 and 41 as shown on the Map of the Town of Mezesville; thence easterly in a straight line to the center line of Main street; thence southerly along the center line of Main street to its intersection with the center line of Pine street; thence northerly and along the center line of Pine street to the center line of Cooper street; thence westerly along the center line of Cooper street to the center line of Chestnut street; thence northerly along the center line of Chestnut street to the center line of Phelps street; thence westerly along the center line of Phelps street to the center lines of Main street; thence southerly along the center line of Main street to the center line of Webster street extended; thence westerly along the center line of Webster street to the easterly bank of the easterly arm or branch of Redwood Creek; thence southerly along the easterly bank of the easterly arm or branch of Redwood Creek to the northerly line of the Southern Pacific Railroad Company right-of-way; thence easterly along said northerly line of said Southern Pacific Railroad Company right-of-way to the point of beginning, provided, nevertheless, that the streets, avenues, roads and places, situate within said district shall be omitted fro many assessment made or levied for paying the costs and expenses of the above mentioned work and improvements, the said streets, avenues, roads and places belonging to said Town of Redwood City, and being in use in the performance of a public function, to-wit: in use as public streets, avenues, roads and places.

The Map of the Town of Mezesville hereinbefore referred to is of record in the Recorder's office o fthe County of San Mateo, State of California, in Map Book 1 at page 79.

The Clerk shall cause this Resolution of Intention No. C-9 to be published twice in the Times Gazette, a weekly newspaper published, printed and circulated in said Town of Redwood City, (there being no daily paper therein), and hereby designated by said Board of Trustees for that purpose.

The street Superintendent of said Town of Redwood City, shall cause to be conspicuously posted along the line of said contemplated work and improvements and in front of all property liable to be assessed, and upon all streets in the district to be assessed, notices of the passage of this Resolution of Intention No. C-9, in the manner and form required by law.

AND NOTICE is hereby given that Monday the 7th day of July, 1919, at the hour of 8 o'clock P. M. of said day, at the meeting place of the Board of Trustees of the Town of Redwood City, in the council chambers in the Town Hall on Webster Street in said Town of Redwood City, County of San Mateo, State of California, has been and is hereby fixed as the day, hour and place when and where any and all persons having any objections to the proposed work and improvements described herein may appear before the Board of Trustees of said Town of Redwood City and show cause why said proposed work and improvements should not be carried out in accordance with this Resolution of Intention No. C-9.

All the herein proposed work and improvements shall be done in pursuance of and in conformity with an act of the Legislature of the State of California, entitled, "Improvement Act of 1911," approved April 7th, 1911, and acts amendatory thereof.

Passed and adopted by the Board of Trustees of the Town of Redwood City at a regular meeting of said Board held on the 16th day of June, 1919, by the following vote:

Ayes and in favor of the passage of the foregoing Resolution of Intention No. C-9, Trustees M. E. Ryan, Geo. W. McNulty, J. C. Jones, Cark K. Mabie.

Noes and against the passage of the foregoing Resolution of Intention No. C-9, Trustees, None.

Absent, Trustees Geo. A. Kreiss.

CARL K. MABIE,
President of the Board of Trustees of the Town of Redwood City.

Attest.
W. A. PRICE,
Clerk of the Town of Redwood City.

I hereby approve the foregoing Resolution of Intention No. C-9 this 16th day of June, 1919.

(Seal) CARL K. MABIE,
President of the Board of Trustees of the Town of Redwood City.

NOTICE OF TRUSTEES' SALE OF REAL PROPERTY

WHEREAS, a certain deed of trust was executed by Joseph P. Crawford, the party of the first part, to Henry Peters and T. Levison, Trustees, parties of the second part, and Elinor M. Whitney, party of the third part, which deed of trust was dated the 10th day of March, 1915, and recorded in the office of the County Recorder of the County of San Mateo, State of California, on the 26th day of June, 1915, in Book 11 of Trust deeds at page 399, and following pages, which deed of trust was executed by said party of the first part to secure the payment of a certain promissory note, payable to said party of the third part, or her order, and as security for the performance of all the terms, covenants and conditions of said Deed of Trust, and

WHEREAS, default has been made in the payment of principal and interest of said promissory note as therein provided and said promissory note is now wholly due, owing and payable to said party of the third part, and

WHEREAS, said Elinor M. Whitney, the said party of the third part has demanded and directed that said Henry Peters and T. Levison, said Trustees and parties of the second part, sell the real property described in said deed of trust and hereinafter more particularly described, to satisfy the amount due and owing on said promissory note, for attorneys' fees, costs, expenses and the accomplishment of the trusts in said deed of trust contained.

NOW, THEREORE, in acordance with the terms and conditions and under the authority of said Deed of Trust, said Henry Peters and T. Levison, Trustees named in said deed of trust do hereby give notice that on Monday, the 14th day of July, 1919, at the hour of 11 o'clock A. M. of that day, at the front entrance of the County Court House, in the City of Redwood City, San Mateo county, State of California, they will sell, at public auction to the highest bidder, for cash, in United States Gold Coin, the following described real property, or such part thereof as, in the discretion of said Trustees, they shall find it necessary to sell in order to accomplish the objects of said Trust, namely:

That certain lot, piece or parcel of land situate, lying and being in the County of San Mateo, State of California, and more particularly described as follows:

Lot Number 29 in Block number Twenty (20) as the same is designated and delineated upon that certain map, entitled "Map of the Haneman's Seaside Park Tract, San Mateo County, California," which map was filed in the office of the County Recorder of the County of San Mateo, April 11th, 1907, Original Map in Book C of Maps, Page 55, recorded in Book 4 of Maps, Page 63.

TOGETHER with all the tenements, hereditarients and appurtenances thereunto belonging or appertaining, and the reversions, remainder and remainders, rents, issues and profits thereof.

TERMS OF SALE: Cash in gold coin of the United States; ten per cent (10 per cent) payable to the undersigned upon the fall of the hammer, balance upon delivery of deed. If balance not so paid then said ten per cent (10 per cent) to be forfeited and the sale to be void. Taxes to be prorated.

Dated this 10th day of June, 1919

NIGHT SIGNS BRING DAY BUSINESS

Look down the streets and observe who are the merchants using **Electric Signs** to light up their store-front at nights. You will find the successful merchants, whether large or small. They are successful because they are businesslike. They get the maximum return from their investment.

Write your announcement against the darkness and your clerks will be busy by day light.

Merchants depend upon attractive show windows to display their wares to the shopping throngs. If all shopping ceased when the store closed every afternoon, there would be no need for lighted store-fronts and electric signs at night. This is the time of year people are on the streets at night. If your store-front is lighted up it will attract shoppers, with sales the day following.
